

# *Hunton Village Hall Brochure*

If you are looking to hire a venue for a wedding or a party then please take a look at our lovely Village Hall. It is based in the rural village of Hunton which is 5 miles south of Maidstone in Kent.

There are lots of trees and fields surrounding the Village Hall, which make it a great location for wedding photos - especially as St Marys Church is conveniently located opposite the Village Hall. The hall also has an enclosed courtyard which is great for BBQ's and Hog Roasts. The courtyard has a side gate access from the main road - handy for caterers to come in and out without walking through the Hall and past your guests.

Up-to-date availability, booking forms and information can be found on the website: [www.huntonvillagehall.co.uk](http://www.huntonvillagehall.co.uk)

Chairs: 120

Tables: 10 large rectangular (182cm x 68.5cm)

7 small rectangular (121.5cm x 68.5cm)

Oak Trestle Table (367cm x 87cm)

There are also six 6' round tables available to hire at a cost of £6 each. Each round table can comfortably seat 10 people.

The hall size is 17 metres (l) x 7 metres (w)

The maximum seated capacity of the Hall is 120 people (due to the table space needed) and there is ample parking in the car park outside. There is also a children's play area on the field adjoining the Hall where you are welcome to set-up a bouncy castle.

The external Courtyard is a great location for a BBQ or Hog Roast and is fully enclosed, making it a great space for children to play. There is side gate which enables your caterers to get in and out of the courtyard without walking through your guests.

### Church:

Opposite the Village Hall is the lovely St Mary's Church. Its stunning stained glass windows and its convenient location to the Hall mean you can get married and then have your Reception within a stones-throw away.

There are several ways that you can qualify to get married at St. Mary's, even if you don't live in the parish or attend worship regularly.

Information can be found at <http://www.yourchurchwedding.org/>

Further details about getting married here can be found on the church website at <http://unitedbenefice.church/getting-married/>

To enquire, please attend one of our Sunday Services or telephone the Rector on (01622) 747570
